Quality Policy

At TAMINA Healthcare, we are committed to being a leading Distributor of premium healthcare brands across the Middle East and North Africa and a provider of high-quality healthcare value-added services.

Our goal is to provide pharmaceutical and Consumer Healthcare products, Aesthetic & Medical Devices, and medical promotion services that consistently meet the needs and expectations of our interested parties locally and internationally.

We continually improve our Quality Management System to ensure its continuing effectiveness and suitability in compliance with applicable local and international requirements, including GSDP and ISO 9001:2015 standards, as well as applicable laws and regulations.

We are partners with reputable principals, enhancing long-term and collaborative relationships based on trust and respect.

We are dedicated to ensuring reliable, high-quality products and services to our customers and to continuously improving their satisfaction, while maintaining transparency and efficiency in all interactions.

We provide a safe, ethical, and supportive work environment for our employees, offering training and development opportunities to enhance skills and enable them to conduct company's business in full compliance with corporate policies and procedures, and with full respect for the values and Code of Ethics.
